

## Specification Data Sheet – 469 – Detectable Utility Clip

<b>Product code</b>	<b>Product description</b>
469-A95	Detectable Utility Clip - with Dual Clip
469-A96	Detectable Utility Clip - with Belt Clip

Detectable Utility clip not only help prevent dropped objects; they also signal metal detectors in food processing to prevent them from becoming harmful foreign objects themselves. The patented utility clip keeps your gloves, rags, keys and whatever else always seems to become a mysteriously lost object close at hand. The versatile dual clip version can be used as one unit or detached, clipped to d-rings and used as two separate pieces.

### Features

- Utility clip mounts to d-rings, clothing, etc.
- Metal detectable material alerts quality control
- Entire piece impregnated with metallic powder
- Grabbers disconnect and can be used independently
- Deep blue colour signals metal detectability
- Breakaway feature

### Application

- Food & beverage
- Pharmaceutical processing and packaging
